

Vagabond Tours Mission Statement

At Vagabond Tours, we want you to love Ireland as much as we do. To ensure it stays that way, we commit to delivering exceptional small-group tours that support local communities and protect our heritage.

Our mission at Vagabond Tours is to provide exceptional travel experiences that not only showcase the beauty and rich culture of Ireland but also prioritise the long-term preservation and sustainability of the environment, communities and heritage sites we visit.

We aim to empower our employees as the driving force behind our success. We are committed to fostering a dynamic and inclusive workplace where every individual is valued, respected, and provided with opportunities to grow both personally and professionally.

We are committed to minimising our ecological footprint – actively advancing climate and energy action to reduce emissions across our operations - by promoting responsible travel practices, supporting local economies, engaging in conservation efforts, and fostering cultural understanding among our guests.

Through our sustainable tourism initiatives, we aim to benefit both the natural and cultural landscapes of Ireland for future generations to enjoy.

We commit to full transparency and publishing of our practices and progress.

We aim to continue to be active contributors to sustainability in the Irish tourism industry and commit to continuous collaboration with fellow stakeholders.
