

Vagabond First-Party Cookie Retention Schedule

Record of first-party cookies identified in the supplied inventory. Cookie categories are proposed classifications and should be checked against the live consent configuration.

Cookie	Purpose	Proposed category	Type	Retention period	When set	Provider
bid	Supports the online checkout process	Strictly necessary	Session	Until the browser is closed	During checkout	Vagabond
uid	Supports the online checkout process	Strictly necessary	Session	Until the browser is closed	During checkout	Vagabond
oid	Supports the online checkout process	Strictly necessary	Session	Until the browser is closed	During checkout	Vagabond
_ap	Supports the Apso tracking module	Analytics	Persistent after consent; otherwise session	730 days after consent, or until the browser is closed without consent	When analytics consent is granted; otherwise session-only	Vagabond / Apso
_v	Supports the Apso tracking module	Analytics	Session	Until the browser is closed	During the session	Vagabond / Apso
_gdpr	Records and manages the user's cookie-consent choice	Strictly necessary	Persistent	730 days after acceptance	When the user accepts cookies	Vagabond

Note: Session cookies do not have a fixed expiry date and ordinarily remain until the user closes their browser. Persistent cookies remain for the stated period unless the user deletes them earlier.
