

6 DAY DRIFTWOOD NORTHERN ISLAND

Sample Itinerary

We are proud that no two Driftwood tours are the same. Your own preferences, your guide and the famous Irish weather mean that the following itinerary should be understood as a framework only. Accommodation options are fixed. We then base each tour around the list of daily stops below.

Your guide will discuss options with you throughout your tour and plan accordingly. If there is something that you particularly want to do or see on your tour, mention it to your guide. We will do our best to match your choice with the preferences of your Vagabond group.

Please note, this tour has stops in both the Republic of Ireland (EU eurozone) and Northern Ireland (UK). You will require both Euro (€) and Sterling (£) cash.

Our Sales and Reservation team can advise you further on any aspect of the tour. Email Megan directly at megan@vagabond.ie

DAY 1 – DUBLIN TO MAYO

Your adventure awaits

It's a prompt start in the reception of Grand Canal Hotel Dublin at 8.10am.

Greet your guide, meet your fellow Driftwooders and board your super-comfy, slick Mercedes Benz/Volkswagen mini-coach for the adventure of a lifetime.

We'll head out of the city, thousands of years back in time...

At Corlea, you'll find an Iron Age trackway, or *togher*, constructed around 150 BC. This is the largest prehistoric roadway in Europe, hinting at a sophisticated society in pre-Christian Ireland.

Your guide will select a lunch stop along the route.

We'll cross the mighty River Shannon to reach the National Irish Famine Museum in Roscommon. Hear the harrowing tale of Ireland's worst disaster and how it has shaped the island of today.

Afterward, explore the museum venue at Strokestown Park House. This Georgian-era mansion will transport you to another age as you admire its Palladian architecture and wander the elegant walled gardens.

You can't go wrong with accommodation tonight. You'll be staying at Mount Falcon Estate, with a romantic woodland setting and a wealth of history; or the iconic Belleek Castle, a characterful 19th century country home close to Mayo's Atlantic coastline.

The average driving time today is 4 hours 30 minutes

DAY 2 – MAYO TO DONEGAL

Arise and go now...

Ease yourself into the day with a heavenly breakfast spread.

Honour Irish poet and Nobel Laureate, WB Yeats, at his final resting place.

We'll stop at Donegal town, with the option for a guided tour of 15th century Donegal castle.

Heading deeper into Donegal, we'll arrive at the towering sea cliffs of Sliabh Liag. Landlubbers are welcome to relax and soak up the stunning view from afar.

If you're in possession of sea legs, take a guided boat trip to gaze up at these dramatic 600m / 2000ft cliffs from below (Tour Option - €20 per person). You'll be on a small boat with 12 person capacity. We can't guarantee it but birdlife and sea mammals make regular guest appearances.

Look out for rugged mountain sheep and the golden sand of Maghera Beach as we journey up and over the scenic Granny Pass.

Did you spot Maghera? Now it's time to go truly off the beaten path, with a stroll along this wild and lovely strand. You should have the entire stretch of coastline to yourself!

Arriving in the small country town of Ardara, we recommend a visit to Eddie Doherty. Friendly and informative, Eddie is one of the few remaining handweavers left in Ireland. See a true master craftsman at work in his open studio.

This evening's accommodation is at the family-owned Nesbitt Arms in Ardara. Don't miss a traditional Irish music performance. Musicians perform in the hotel bar regularly, as well as in other venues around the town.

The average driving time today is 3 hours 30 minutes

DAY 3 – DONEGAL TO DERRY

Northward, ever northward!

It's all aboard for the short hop to the pristine wilderness of Glenveagh National Park.

Keep an eye out for wild deer and eagles as we pass along lakes and through the glacial, granite-lined, 'Valley of the Birch'. No matter the time of year, dramatic displays of colour await you in the romantic 19th century Glenveagh Castle Gardens.

Your guide will select a lunch stop along the route.

Look behind you! Panoramic 360° vistas await you at the beautifully preserved Celtic stone ringfort at Grianán of Aileach.

Cross the border into Northern Ireland (remember, UK £ sterling required).

We'll pass historic city gates to enter Derry.

Walk the ramparts of Ireland's last remaining walled city on the excellent historic guided tour of Derry (Tour Option - £4 per person).

Your accommodation and dining tonight is at the Georgian-era Beech Hill Country House Hotel.

The average driving time today is 3 hours

DAY 4 – DERRY TO ANTRIM

Take a deep breath, everyone

We hope you're thirsty! Visit Bushmills, the oldest whiskey distillery in the world (Tour Option - £7 per person), followed by a sneaky photo stop at the iconic clifftop stronghold of Dunluce Castle.

Next, it's time to experience the natural phenomenon that is The Giant's Causeway. Walk in the footsteps of mythical Irish figure Finn McCool, by stepping onto 40,000 wave-washed hexagonal basalt columns.

Game of Thrones fan alert! Look out for Theon Greyjoy stepping ashore at tiny Ballintoy harbour. There's an added chance to visit a former GoT set in an abandoned lime quarry.

Brave Carrick-a-Rede rope bridge, suspended over the ocean and reached via a steep descent. Enjoy views to Rathlin Island and, on a clear day, even Scotland (Tour Option - £7 per person).

Cameras at the ready! You're about to begin one of the world's most spectacular coastal drives, the Causeway Coastal Route.

You don't have to go far to the beach from your accommodation tonight. The 17th century castle tower and hotel at Ballygally is situated directly on the beautiful Antrim coast.

The average driving time today is 3 hours

DAY 6 – NEWCASTLE TO DUBLIN

Time to say slán...

Before we say goodbye, there's still time for some of Ireland's top highlights.

Take a morning stroll on the beautiful dune landscape of Murlough National Nature Reserve. Keep an eye out for seals, butterflies and the blazing colour of wildflowers.

Step back in time to imagine kings, earls and lords battling over Dundrum Castle. Built in 1177, this strategically-located stronghold commands fine views over the coastline and nearby Mourne Mountains.

Then it's time to amble back towards Dublin, taking the scenic route - of course! - through the rolling granite peaks of the Mourne Mountains.

Cross the border into the Republic of Ireland, and the euro currency zone (€).

Your last stop is guaranteed to be historic. Revel at the medieval tower and monastic ruin of Monasterboice, with its beautiful Celtic high crosses - the most impressive examples in Ireland of this unique form of sculpture. What better way to wrap up your Irish odyssey!

You'll disembark your Drifter back at the Grand Canal Hotel in Dublin between 5-6pm. Farewell hugs all round for your new friends.

The average driving time today is 2 hours 30 minutes
